

Dear Aviation Friends,

We're gearing up for the 9th annual Idaho Aviation Expo, to be held on Friday and Saturday May 15th & 16th, 2020. Aero Mark, in partnership with the Idaho Aviation Association, will host this diverse aviation event in our 30,000 square foot Aero Mark XL hangar, where exhibitor booths, wares, and aircraft can be under one roof, and on an airport where they belong. The Idaho Aviation Expo is a pilot-rich, all-aviation expo that will feature all facets of General Aviation, including aircraft manufacturers, maintenance and parts suppliers, avionics, clubs and associations, workshops, speakers, and a whole lot more.

If you have participated in previous Idaho Aviation Expos you know that we aim to produce the highest quality event possible, and we will deliver on that again this year. Past displays have included everything from brand new backcountry and corporate aircraft, kitplanes, helicopters, warbirds, and vintage airplanes. We will have an extensive schedule of educational speakers and workshops throughout the event, many presented by participating exhibitors.

Saturday's Idaho Aviation Expo will feature the Idaho Aviation Association's Annual Meeting. An organization with over 1000 members, the IAA is dedicated to giving Idaho a General Aviation voice both locally and nationally. The IAA works with both public and private entities to preserve, maintain, and enhance aviation facilities and keep them open for all pilots. The IAA promotes pilot safety and education as well as a public understanding of General Aviation in Idaho.

In past years we have filled the Expo hangar to capacity with booths and aircraft displays, so please let us know as soon as possible if you would like to bring an aircraft for display. This will ensure that we are able to place your aircraft right next to your booth on the Expo floor. Also, if you are interested in participating as an Idaho Aviation Expo speaker, and presenting your wares in a workshop, please let us know, as speaking slots are limited.

If you have any questions about joining us at the Idaho Aviation Expo, suggestions, or would like to help, please feel free to contact me at (208) 524-1202, or email thomas@aeromark.com. I hope to see you at the Idaho Aviation Expo!

Sincerely,

Thomas Hoff

Idaho Aviation Expo 2019 Exhibitor Guidelines:

Booth dimensions are 10' X 8' and include one 6' table and two chairs. Power for your booth is available free of charge, please note on your registration form if you require it. The expo hangar has complimentary Wi-Fi.

Exhibits for the Idaho Aviation Expo 2020 will be limited to products or services directly involved with aviation. Aero Mark reserves the right to deny space to any company whose products and/or services are not appropriate to aviation.

Booth assignments will be on a first register, first serve basis. If you have any preferences, please let us know as soon as possible. If you are displaying aircraft in the expo hangar we will make every effort to position your aircraft as close as possible to your booth. Exhibitors cannot display aircraft in the expo hangar, or outside on the ramp, without a booth in the expo hangar.

Booth set up time is Thursday, May 14th from 1:30 PM to 7:30 PM, and Friday, May 15th from 7:30 AM to 9:30 AM. All booths must be set up Friday, May 15th by 9:30 AM. If you have an aircraft for display in the expo hangar we request that you have it here by 8:30 AM on Friday, May 15th so that we can stack the hangar with the least amount of disruption to the other exhibitors.

Booth tear down time is Saturday, May 16th from 5:30 PM to 6:30 PM, and Sunday, May 17th from 6:30 AM until 11:30 AM. Exhibitors may not tear down their booths prior to Saturday May 16th at 5:30 PM, and cannot remove expo aircraft from the expo hangar until Sunday, May 17th at 6:30 AM.

To register please use the Idaho Aviation Expo 2019 Exhibitor Registration Form. If you have any questions please contact Thomas Hoff at phone (208) 524-1202, or email thomas@aeromark.com.
